BIOGRAPHY:

MOREGO (Mohamadreza Govahi) is an award-winning musician from Tehran. Recognized for his unique fusion of IDM-affected downtempo, chillout, neoclassical elements, and organic sounds, MOREGO has been engaging audiences since 2009 with his evocative compositions.

Holding a Bachelor of Music, MOREGO has significantly contributed to Iran's electronic music scene. His projects, including Xerxes The Dark and Nyctallz, highlight his versatility in crafting contemporary electronic music alongside experimental/noise, electro-acoustic, and cinematic works.

A winner of the Web3 Music Awards and 1st place at the Best Song Festival hosted by UAST Art and Culture University, MOREGO has performed at esteemed events like the Tehran International Contemporary Music Festival (TCMF) and the Tehran Annual Digital Art Exhibition (TADAEX). His discography, celebrated by listeners and critics alike, features albums such as Fascination, Astrophile, Solivagant, and Monopsychism.

Currently signed to Iono Music/Iono Lounge in Germany, MOREGO continues to explore new dimensions in ambient and downtempo music. His approach to music emphasizes transferring energy and emotion, creating a rich and immersive sonic experience.
